Dear Ms. Crawford:

This is in response to the Motion to Dismiss the Petition for Rule Making that you filed concerning the allotment of Channel 262C1 at Crane, Texas.

In accordance with the requirements of Section 1.420(j) of the Commission's rules, you have provided an affidavit certifying that you have not nor will not receive any money or other consideration in excess of legitimate and prudent expenses in exchange for the requested withdrawal of your expression of interest and the dismissal of your Petition for Rule Making. Consistent with the Commission's policy to refrain from considering rule making proposals absent *bona fide* expressions of interest, your Motion to Dismiss is granted.

For reasons discussed above, we are returning your Petition for Rule Making.

Sincerely,

John A. Karousos
Assistant Chief, Audio Division
